

JOIN US

for a Ribbon Cutting for the

Stack Family Center for Biopharmaceutical Education and Training (CBET)

THURSDAY, OCTOBER 13, 2022

10AM–11:15AM

150 NEW SCOTLAND AVENUE, ALBANY, NY 12208

Albany College of Pharmacy and Health Sciences (ACPHS) recently acquired a state-of-the-art medical and life sciences facility. The acquisition extends ACPHS' campus footprint and provides a new home for the Stack Family Center for Biopharmaceutical Education and Training (CBET).

We welcome you to join us in celebration at the Ribbon Cutting Ceremony performed by a special guest. Tours of the building and refreshments will be provided following the ceremony.
